MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Situation Summary of Developments
in Cuba as of 7 October 1962

1. The Situation Summary of developments in Cuba as of 7 October confirms the presence of two additional SA-2 missile sites in eastern Cuba. One is located near Oriente Province and the other one is about 17 miles west northwest of the sugar port of Nuevo Laredo.

2. The Situation Summary also indicates new construction in progress at the Baracoa cruise-missile site and possibly in the Baracoa port area a few miles away. Two new revetments are under construction in front of and between the two launch positions. The presence of 15 pieces of unidentified equipment in the port area and some earth-scraping activity were noted.

3. The two additional SA-2 sites bring the total number of confirmed SAM sites in Cuba to 18.
